FLOR DE AGUA is a 2013 Riva Rivarama, a model widely regarded as one of the most elegant modern classics produced by the iconic Italian shipyard. Combining timeless styling with exceptional craftsmanship, she showcases Riva's signature use of high-gloss mahogany, polished stainless steel and beautifully balanced proportions. Finished with a striking black hull and mahogany cockpit sole, she offers a refined and unmistakably luxurious presence on the water. Designed for effortless day cruising and stylish weekend escapes, FLOR DE AGUA delivers the blend of performance, comfort and attention to detail that has made the Rivarama one of Riva's most admired creations.

LAYOUT:

The layout is arranged to maximise comfort and usability within a compact and elegant platform. The cockpit provides generous seating around a central table, complemented by dedicated sunbathing areas at both the bow and stern. Below deck, the open-plan interior incorporates a lounge area, concealed galley and double berth within a single cohesive space. A separate bathroom with enclosed shower enhances onboard comfort, while a practical crew cabin with independent access from the cockpit provides additional flexibility for day-to-day operation.

BROKER COMMENTS:

FLOR DE AGUA is pure Riva glamour - elegant, seductive and unmistakably refined. She turns heads in every harbour, yet feels intimate and inviting once on board. A beautiful balance of craftsmanship and performance, she offers that rare combination of style, comfort and presence that only a true Riva can deliver.
