YACHT DESCRIPTION:

Architect:	Sunseeker International Ltd.	Material:	GRP
Internal Furniture:	Black American Walnut	External Hull Colour:	White

M/Y SWAN is a 2005 Sunseeker Predator 72 that perfectly blends performance and comfort. Powered by twin 1550Hp Caterpillar engines, she delivers strong, reliable cruising capabilities. Her layout includes two spacious double cabins, while the third cabin has been thoughtfully converted into a functional office space—ideal for extended stays or remote work at sea. With sleek exterior lines and timeless Sunseeker styling, SWAN offers a versatile and elegant platform for both relaxation and adventure. Well-maintained and intelligently configured, she is an excellent choice for discerning owners seeking a dynamic yet comfortable yachting experience.

LAYOUT:

SWAN's layout is thoughtfully arranged to maximise comfort and usability. The full-beam master cabin features a central double bed, ample storage and a spacious en-suite bathroom. Forward, the VIP cabin offers a comfortable double berth and private bathroom. A third cabin has been intelligently converted into an office, ideal for remote work or additional storage, and is served by a third bathroom. The main deck includes a bright saloon with U-shaped sofa, dining table and chairs, positioned near the fully equipped galley and dinette. The cockpit provides additional social space with seating, table and wet bar.

BROKER COMMENTS:

M/Y SWAN stands out for her intelligent configuration and versatile layout, offering both comfortable guest accommodation and a practical onboard office. The full-beam master and generous social spaces create an inviting atmosphere for cruising and entertaining. For buyers seeking flexibility without compromising comfort, she presents an appealing and well-balanced opportunity.
