Description per area

General description

Riva prides itself on its "craftsmanship, unmatched quality, innovative but always functional design" and this 2014 Riva 52 Rivale M/Y NOAH exudes that exact personality. Thanks to Officina Italiana Design, Riva's designs are known for their clean lines, originality and elegance, with a quintessential Italian style both inside and out.

NOAH has accommodation for six guests in three cabins, two being en-suite and is perfectly manageable by an owner operator and their family. With a cockpit that's geared to outdoor life and entertaining, there is nothing quite like owning a Riva at some point in your life.
