

PERSHING 50

“ROMA”

The Pershing 50 M/Y ROMA, built in 2007, is a well-maintained motor yacht powered by 2 x 800 HP MAN engines. She delivers strong cruising capabilities with efficiency and reliability and features 3 double cabins and a crew cabin. The interior layout is designed for practicality, with high-quality finishes that reflect the style and craftsmanship Pershing is known for. In 2021 and 2022, the yacht underwent several key updates, including the repainting of the hull and the installation of new teak decking on the platform, ensuring her exterior remains in excellent condition. The cockpit is well-appointed with a helm station, comfortable seating with a table, and sunbathing cushions, creating an ideal area for relaxation and outdoor enjoyment.
