## Description per area

---

### General description

Dating back to the year 1842, Riva is a celebrated name in the art of boat making. Meticulous craftsmanship, matchless quality and innovative yet ever functional design have become the hallmarks of a brand whose range of legendary mahogany boats - introduced in the 1950s - became iconic for the Made in Italy tradition.

The Aquariva by Gucci represents a seamless union between these two incomparable contemporary classics.

Fundamental to Gucci's rethinking of this most sought-after of premium motor yachts was a respect for the essence of the Officina Italiana Design's original project.

Defining the boat is a fibreglass hull painted in Gucci's own hue of glossy white, while Riva's mahogany with its masterly varnish finish - twenty coats in all, ten by brushing, ten by spraying - represents the peerless mark of distinction for the cockpit, walking decks and awning cover hatch. Other outstanding features include the allure of the Guccissima print for the waterproof fabric covering seats and sundeck and the beauty of Gucci white cotton for the luxurious bed upholstery.
