Fuel Tank:	480 lt 127 gal	Water Tank:	130 lt 34 gal
Black Tank:	25 lt 6.6 gal	Grey Tank:	/ lt / gal

YACHT DESCRIPTION:

Architect:	Officina Italiana Design	Material:	GRP
Internal Furniture:	Mahogany Gloss	External Hull Colour:	Gucci Glossy White

Dating back to the year 1842, Riva is a celebrated name in the art of boat making. Meticulous craftsmanship, matchless quality and innovative yet ever functional design have become the hallmarks of a brand whose range of legendary mahogany boats - introduced in the 1950s - became iconic for the Made in Italy tradition.

The Aquariva by Gucci represents a seamless union between these two incomparable contemporary classics.

Fundamental to Gucci's rethinking of this most sought-after of premium motor yachts was a respect for the essence of the Officina Italiana Design's original project.

Defining the boat is a fibreglass hull painted in Gucci's own hue of glossy white, while Riva's mahogany with its masterly varnish finish - twenty coats in all, ten by brushing, ten by spraying - represents the peerless mark of distinction for the cockpit, walking decks and awning cover hatch. Other outstanding features include the allure of the Guccissima print for the waterproof fabric covering seats and sundeck and the beauty of Gucci white cotton for the luxurious bed upholstery.

LAYOUT:

The layout remains true to the timeless Aquariva concept, centred around refined open-air elegance. The cockpit is beautifully arranged with opposing seating and a central table, flowing seamlessly toward the aft sunpad and integrated swim platform. Wide side decks lead forward to a generous bow sunbathing area, creating balanced spaces for relaxation and entertaining.

Below deck, the intimate cabin offers a comfortable double berth, finely detailed storage and a discreetly integrated bathroom, providing understated luxury for day cruising or romantic overnight stays.

BROKER COMMENTS:

M/Y SHS represents a rare and unique opportunity to purchase 1 of only 5 Riva Aquariva by Gucci's ever built. Having recently completed a full stem to stern restoration, SHS is in truly impeccable 'like new' condition and affords for a rare investment opportunity.
