

RIVA 56 RIVALE

“PRINCESS”

The lines of PRINCESS's profile is wholly attributable to Riva Yachts' long-time collaboration with Officina Italiana Design. Her curvaceous form draws the eye, with clean aesthetics accentuated by large glazed windows along the hull. Following the hull window style is the sharply raked windshield protecting the cockpit, offering both a stylistic and aerodynamic function. PRINCESS is finished in Metallic Shark Grey, equipped with twin 1200 V8 CR MAN engines and an extensive list of optional equipment.

YEAR	:	2021
L.O.A.	:	17.27 m
