YACHT DESCRIPTION:

Architect:	Vripack and Sinot	Material:	GRP
Internal Furniture:	European oak	External Hull Colour:	Grey

The Wajer 55 S M/Y BONA VITA delivers a masterful balance of performance and luxury, ideal for both spirited day trips and extended cruising. At 16.83 m length and 4.40 m beam, she is powered by triple Volvo Penta IPS-650 D6-480 engines, achieving a 38-knot top speed and a comfortable 28-knot cruise, with a 400-nautical-mile range. Designed by Vripack and Sinot, her deep-V hull ensures stability and agility. The layout features a sleek center-console design, outdoor galley with grill and fridge, full master cabin with ensuite, twin guest berths, and hydraulic swim platform—delivering versatility, comfort, and innovation without compromise.

LAYOUT:

The layout of M/Y BONA VITA is arranged around a clean center-console configuration that maximises deck space and ease of movement. The cockpit is designed for sociable use, featuring generous seating and a practical outdoor galley equipped with grill and refrigeration, seamlessly connected to the hydraulic swim platform aft. Below deck, the accommodation is thoughtfully planned with a full master cabin complete with ensuite facilities, complemented by twin guest berths. The result is a functional yet refined arrangement that supports both relaxed day cruising and comfortable overnight stays.

BROKER COMMENTS:

M/Y BONA VITA is a striking Wajer 55 S that blends Dutch engineering with understated luxury, offering exhilarating speed alongside effortless handling. Her clean, contemporary lines frame generous outdoor living areas and comfortable accommodation below, creating a refined platform for both relaxed coastal cruising and longer passages.
