

Sunseeker Predator 92

“UM7”

The Sunseeker 92 Predator UM7 is a striking motor yacht built in 2008 and meticulously renovated to offer an unparalleled cruising experience. Powered by twin 1,800 HP Caterpillar engines, this powerful vessel reaches a maximum speed of 29 knots, combining speed and performance with the elegance and sophistication. The yacht features four ensuite cabins, an open-plan saloon, expansive sunbathing areas, and well-equipped galley. Having undergone various improvements in recent years, the yacht boasts modern updates throughout, ensuring that the interior and exterior reflect high standards of style and quality.
