COUNTRY	France	FLAG	Cayman Islands
ASKING PRICE	2,250,000.00 [euro]	VAT STATUS	Not paid

Technical information

Engines hours	130
Trasmissions	Outboard
Propellers	DuoProp
Main generator	15kw Mase
Main generator hours	166

Fuel tank	4200 litres
Water tank	450 litres
Charge batteries	Yes
Inverter	Yes

Description per area

General description

The remarkable new Wallypower 58X embraces the familiar walkaround design found in the existing Wallypower 58 model and adds an extra WOW factor! No less than Four Mercury Verado 600hp V12 outboard engines!

The Wallypower 58X employs a pair of retractable aft bulwarks and a spacious sunpad for four people, resulting in an expansive 25-square-meter beach club area with a hydraulic passerelle serving as a convenient bathing ladder. Coupled with a lower salon and master cabin/heads, this is without question 'the ultimate day boat'.

BROKER COMMENTS: WALLEYE combines "cutting-edge outboard performance with the essential access to the water that the Wallypower line is known for. As one would expect from wally, the aesthetics of the vessel are impeccably designed and finished." WALLEYE is available immediately and in perfect condition. Factory warranty remains until Spring 2025.

Optional list

Optional list
