Second generator	MASE IS 22kW
Second generator hours	1100
Fuel tank	6,200 litres
Water tank	1,300 litres
Charge batteries	Yes
Inverter	Yes

Description per area

General description

Sleek yet imposing, the Pershing 8X commands attention on the open waters with its aerodynamic profile and muscular stature. Twin 2,638 horsepower engines propel this Italian thoroughbred to a blistering 48 knots so that the sea itself blurs to abstraction. Step inside to find exquisitely stitched leather, carbon fibre trim and a hi-tech entertainment suite framed by expansive windows. With a range of over 300 nautical miles between refuelling, the possibilities for adventure are endless aboard this pinnacle of luxury and performance. Both a paddock and a palace, the 8X realises fantasies on every horizon. BROKER COMMENTS: "in immaculate condition, a 'must-see' yacht, fully serviced and crew maintained. Performance and Precision, this is what M/Y SURVIVOR offers in abundance."
