

M/Y MARLEENA VIII

PERSHING 7X

Madison 2111

ABOUT MARLEENA VIII

Marleena VIII, a Pershing 7x, is based in the beautifully located marina Moll Vell, with ravishing views of the Palma Cathedral. Thanks to her max. speed of 50 knots, she is capable to reach Ibiza in just two hours. Fitted with state-of-the-art stabilizers both underway and on anchor, she guarantees the highest standards of comfort while onboard. Wherever you choose to spend your day, you can convert her huge hydraulic bathing platform into your own private beach club, a perfect starting point for all the newest water toys that will be provided onboard.
