Description per area

General description

The Riva 63 Virtus reinterpreted the concept of an 'open yacht' characterised by its typical Mediterranean style, whilst preserving the unmistakable elegance of the entire Riva range: class, charm, a sober look and wonderful personality. Designed with an eye to the classic lines of the 63 Vertigo - a very successful model in its own right within the Riva range - the 63 Virtus also draws inspiration from the Rivale's strong personality, whilst ensuring more spacious areas that guarantee total onboard comfort.

BROKER COMMENTS: "M/Y MOHICAN has been sold by the company multiple times, with each subsequent owner maintaining her to exacting standards. If you are looking for an open boat, you cannot get better than this Riva 63 Virtus."
