Main generator	Kohler 25kW
Main generator hours	2418
Second generator	Kohler 20.5 kW
Second generator hours	1252
Fuel tank	8100 litres
Water tank	1700 litres
Grey water tank	400 litres
Black water tank	400 litres
Charge batteries	Yes
Inverter	Yes

## Description per area

---

### General description

Stepping aboard M/Y SLAM, you are immediately struck by the abundance of natural light that floods the salon, thanks to the strategically cut bulwarks and expansive side windows. The unobstructed sea views, even from the comfort of the sofa, create a truly immersive experience, allowing you to feel one with the open waters. The salon's spacious and bright interior maintains Sanlorenzo's classic aesthetic, while introducing a modern touch that captivates the senses. The unique stairway design, with its floating glass steps, transforms the passage to the flybridge into a sculptural masterpiece, adding a touch of elegance and sophistication. With a total length of 26.76 meters, a maximum beam of 6.35 meters, and a draft of 1.90 meters, SLAM can accommodate up to eight guests and three crew members. Powered by twin MTU engines, each producing 1947 horsepower each, you will reach speeds of up to 30 knots, ensuring an performance and comfort. Combining style, comfort, and exceptional power, SLAM is standout in her class, offering a one-of-a-kind yachting experience that will captivate the heart of any discerning buyer. Enquire now!
