Architect:	Officina Italiana Design	Material:	GRP
Internal Furniture:	Satin Walnut Veneer	External Hull Colour:	Metallic Light Silver

The 2013 Riva 63 Virtus M/Y ARORA is a stunningly maintained, British-registered yacht currently located in Mallorca. With only 1169 engine hours, equipped with zero-speed Seakeeper stabilisers and in impeccable turn-key condition, according to broker comments. In 2021/22 and 2024, the owner invested nearly €500,000 in a comprehensive refit and maintenance program, ensuring that every aspect of the vessel is as close to perfect as possible - some might say even better than the original design. The yacht combines Riva's classic style with cutting-edge features, offering luxurious open-air living spaces and exacting performance. M/Y ARORA is a perfect choice for those seeking a beautifully equipped, sleek and elegant cruiser, ready for immediate use without further investment.

POTENTIAL BERTH AVAILABLE IN ANDRATX, MALLORCA

LAYOUT:

M/Y ARORA features a refined open layout that perfectly balances sociable outdoor living with elegant interior comfort. The expansive cockpit offers generous seating, a large dining table and ample sunbathing space, seamlessly connected to the swim platform for easy access to the water. Wide side decks lead forward to additional sunpads, creating multiple relaxation areas. Inside, the bright saloon combines luxurious finishes with comfortable lounge seating and a well-equipped galley. Below deck, the three-cabin configuration includes a full-beam master, a forward VIP and a twin guest cabin, each with en-suite facilities, ensuring privacy and comfort for extended cruising.

BROKER COMMENTS:

Rarely do we see a motor yacht of any age (and of any pedigree) which we would give a 9/10 rating. This is one of those rare gems that will appeal to a detail orientated, discerning buyer. Impeccable condition.
