Second generator	Kohler PGEN
Second generator hours	678
Fuel tank	14,500 litres / 3830 US Gals
Water tank	2500 litres / 660 US Gals
Charge batteries	Yes
Inverter	Yes

Description per area

General description

Custom Line's expertise has conquered the market with its serene, displacement-speed Navetta series. The Navetta 30 brings them close to perfection. Step aboard this amazing 5-suite, tri-deck yacht, and it's hard to believe she is under 100ft. Small enough to slip into the most attractive harbours, she nevertheless has all the qualities anyone could wish for in a fully-fledged superyacht – with the added bonus that she can be driven without a master's qualification as she is officially under the 24m RCD limit.

Optional list

Super tropical air conditioning
 Gyro stabilizers
 30HP hydraulic stern thruster (double propeller)
