Description

General description

The Novamarine BS 120 delivers an exhilarating ride without compromising comfort or safety. Its 12-meter hull is engineered for precision, giving drivers full control and confidence at any speed. The smart inboard layout optimizes the aft deck, ensuring seamless access to the sea, while lateral doors enhance the connection to the water. Thoughtfully designed deck spaces feature spacious seating, well-placed deckchairs, and generous awnings for shade—perfect for both socializing and relaxation. With cutting-edge performance and versatile comfort, the BS 120 embodies Novamarine's philosophy: every journey should be thrilling, seamless, and effortlessly connected to the sea.

Optional list

Optional list
