Trasmissions	Other
Fuel tank	640 lt
Water tank	860 lt

Description per area

General description

M/Y Manuela is a Bali 4.2 Open Space catamaran, built in June 2023 and first launched in May 2024. Since launch, it has been sailed exclusively by a professional captain employed by the owner, ensuring consistent care and maintenance. The engines have been operated primarily at low revolutions for battery charging, resulting in minimal mechanical strain. The vessel offers excellent stability and smooth circulation throughout. Its bright and spacious saloon merges with the galley, extending to both the bow lounge and aft terrace. With four en-suite cabins, high-quality finishes, and panoramic design, Manuela offers comfort and functionality throughout.
