Engines hours	810
Trasmissions	Shaft Drive
Fuel tank	2000 lt
Water tank	400 lt

Description per area

General description

M/Y HYDROTHERAPY is a well-kept Princess V50, maintained annually to official standards (most recently in April 2025) and cared for weekly by a dedicated crew member. Her clean lines and practical layout reflect the signature design of the Princess V Class. The main deck includes a spacious cockpit with a U-shaped sofa, dining table, and wet bar—ideal for relaxed outdoor use. A hydraulic swim platform, bimini top, gangway, and tender garage add to her usability. Below deck, she offers a comfortable saloon, fully equipped galley, and two en-suite cabins, providing a practical and welcoming environment for time on board.

Optional list

Optional list
