Description per area

General description

M/Y SHIVA III is a uniquely refined interpretation of the Riva Rivamare. Finished in an elegant Riva metallic white, her hull glows with understated sophistication. The classic teak flooring complements the rich, gloss mahogany detailing at the bow, a bespoke touch that sets her apart from standard models. With her graceful lines and timeless materials, SHIVA III blends tradition with modernity in a way only Riva can achieve. Every detail speaks of thoughtful customization and quiet luxury—making her not just a boat, but a deeply personal expression of style on the water.
