YACHT DESCRIPTION:

Architect:	Germán Frers Design	Material:	GRP
Internal Furniture:	Lightweight marine plywood with fine veneers	External Hull Colour:	White

S/Y SHAYA is a 87' Baltic Yachts high-performance bluewater cruiser, designed by Judel/Vrolijk and crafted for effortless global voyaging. Her twin 167 hp MTU engines provide an 8 kn cruising speed and up to 1,200 nm range. She features a carbon mast, hydraulic furling boom (2017), lifting keel, twin rudders, and extensive hydraulic systems. A €1.4M refit in 2017 and updates in 2023 ensure turnkey condition. With five en-suite staterooms, crew quarters, gourmet galley, and a pilothouse saloon, SHAYA offers comfort, flexibility, and charter potential. Now ashore in Galicia, she's ready for new adventures with her next owner.

LAYOUT:

SHAYA features a versatile five-cabin layout designed for extended cruising comfort and operational efficiency. The accommodation includes five en-suite staterooms, offering flexibility for family use or charter operations. The pilothouse saloon provides excellent visibility and a protected social space, seamlessly connected to the well-equipped gourmet galley below. Crew quarters are arranged separately to ensure privacy and smooth onboard service. The interior combines practical passagemaking functionality with warm, refined finishes typical of Baltic craftsmanship. Her layout supports long voyages, balancing private guest spaces with generous communal areas for relaxed living at sea.

BROKER COMMENTS:

S/Y SHAYA represents a rare opportunity to acquire a proven Baltic 87 with serious bluewater credentials and substantial recent investment. Her €1.4M refit and continued updates reflect committed ownership and meticulous upkeep. The combination of Judel/Vrolijk performance design, lifting keel versatility and long-range capability makes her equally suited for private world cruising or high-end charter. Turnkey and technically impressive, SHAYA stands out as a refined, ocean-ready platform with pedigree and purpose.
