Description per area

General description

M/Y BLISS, a 2015 Princess V72 launched in 2016, perfectly blends performance, comfort, and style. Maintained year-round by a professional captain and recently refitted, she is presented in outstanding condition. Her sleek, sporty lines frame generous exterior spaces, including a sunbathing foredeck, an alfresco aft cockpit, and a hydraulic bathing platform for easy sea access. The retractable-roof saloon opens to the elements, creating a bright, versatile social area connected to the fully equipped galley and helm. Below deck, three luxurious ensuite cabins—including a full-beam master suite—offer refined comfort and privacy, making BLISS an exceptional cruising yacht.
