YACHT DESCRIPTION:

Architect:	Princess Yachts International	Material:	GRP
Internal Furniture:	Satin walnut	External Hull Colour:	White and Blue

M/Y BLISS, a 2015 Princess V72 launched in 2016, perfectly blends performance, comfort, and style. Maintained year-round by a professional captain and recently refitted, she is presented in outstanding condition. Her sleek, sporty lines frame generous exterior spaces, including a sunbathing foredeck, an alfresco aft cockpit, and a hydraulic bathing platform for easy sea access. The retractable-roof saloon opens to the elements, creating a bright, versatile social area connected to the fully equipped galley and helm. Below deck, three luxurious ensuite cabins - including a full-beam master suite - offer refined comfort and privacy, making BLISS an exceptional cruising yacht.

LAYOUT:

BLISS features a superb three-cabin layout designed for comfort and privacy. The full-beam master stateroom amidships offers generous space, large hull windows and a luxurious en-suite bathroom. Forward, the VIP cabin provides a comfortable double berth with its own en-suite facilities, while the third guest cabin - also en-suite - offers twin berths, ideal for family or guests. On the main deck, the retractable-roof saloon connects seamlessly to the cockpit, creating one expansive entertaining area with dining, lounge seating and helm station forward. The fully equipped galley is positioned to serve both interior and exterior spaces efficiently. Crew accommodation is located aft with separate access.

BROKER COMMENTS:

What makes BLISS particularly attractive is the combination of recent investment and evident care throughout. Ready for immediate use and presented to a high standard, she stands out as a compelling example of this highly regarded Princess model.
