YACHT DESCRIPTION:

Architect:	Garroni Design	Material:	GRP
Internal Furniture:	Wenge	External Hull Colour:	White & Champagne

M/Y BLUEARK is a sleek Prestige 620S that underwent a major refit between 2024 and 2025, presenting in excellent condition. Her sporty hardtop profile and streamlined lines define a yacht designed for outdoor enjoyment, with a spacious aft cockpit, electric hardtop, generous sunbathing areas, and a hydraulic bathing platform for easy sea access and water sports. Inside, large windows and a smart layout create a bright, contemporary saloon with an open galley ideal for socialising. Below deck, BLUEARK offers a full-beam master suite, a forward VIP cabin, and an additional guest cabin, all finished to the refined standards expected of the Prestige range.

LAYOUT:

BLUEARK features a contemporary layout that maximizes light, space and seamless indoor-outdoor flow. The aft cockpit offers generous seating and direct access to the hydraulic bathing platform, while wide side decks lead forward to expansive sunpads. The electric hardtop allows the main deck to transition effortlessly between open-air and sheltered cruising. Inside, the saloon benefits from panoramic glazing, comfortable lounge seating and an open galley that encourages sociable living. Below deck, the full-beam master suite is complemented by a forward VIP cabin and an additional guest cabin, all with en-suite facilities, ensuring comfort, privacy and practicality for extended cruising.

BROKER COMMENTS:

After boarding the BLUEARK, I realised that she is the ideal yacht for those seeking the perfect balance between space, features and length. With 3 cabins and 3 bathrooms + crew, her new owner can sail it either solo or with a crew of two. Thanks to being maintained by a captain all year round, fully equipped and featuring significant upgrades, she is ready to be enjoyed by her new owner.
