### YACHT DESCRIPTION:

<b>Architect:</b>	Wally / Allseas Team	<b>Material:</b>	GRP
<b>Internal Furniture:</b>	Wally & Luca Bassani	<b>External Hull Colour:</b>	Wally Metallic Grey

M/Y LA BANDITA is a striking Wally 55 that perfectly embodies the brand's distinctive approach to yacht design. Combining clean architectural lines with impressive performance, she is capable of reaching 40 knots while maintaining the comfort and composure expected of a modern cruising yacht. The addition of a Seakeeper zero-speed gyro stabiliser further enhances onboard comfort both underway and at anchor. Presented in excellent condition, LA BANDITA offers a rare opportunity to acquire one of Wally's most recognisable models, blending contemporary styling, intelligent engineering and genuine usability in a highly desirable package.

### LAYOUT:

The layout has been designed to maximise space and functionality within a sleek and efficient platform. The cockpit centres around the helm station and generous seating areas, creating a natural social space with direct access to the swim platform. Below deck, accommodation is arranged for up to five guests across two cabins, served by two bathrooms. The saloon provides a comfortable interior living area with ample natural light, while the overall circulation between interior and exterior spaces has been carefully considered to support both day cruising and extended stays onboard.

### BROKER COMMENTS:

LA BANDITA combines the unmistakable character of a Wally with the comfort and practicality needed for extended cruising. Well maintained and thoughtfully specified, she stands out as an attractive opportunity in a market where good examples are increasingly hard to find.
