The 2001 Princess V65 M/Y CRETA combines open-air freedom with refined onboard comfort, enhanced by a comprehensive refit in 2024. Outside, it features a spacious aft cockpit with generous seating, an alfresco dining area and large sun pads both aft and on the bow. A hydraulic swim platform ensures effortless access to the sea, while the retractable electric roof transforms the helm area from sheltered to open in seconds. Inside, the bright saloon blends warm carpentry with premium finishes and a fully equipped galley. Below deck, a luxurious master cabin, an elegant VIP cabin and a twin guest cabin—each with its own bathroom—provide exceptional comfort for extended cruising.

LAYOUT:

The Princess V65 offers a well-proportioned layout designed for comfortable cruising and effortless entertaining. The spacious aft cockpit features ample seating, an alfresco dining area and a large sunpad, seamlessly connected to the hydraulic swim platform for easy water access. Forward, an additional sunbathing area provides a private retreat. The helm benefits from a retractable electric roof, allowing quick transition between open-air and sheltered navigation. Inside, the bright saloon showcases warm wood finishes and a fully equipped galley. Below deck, the full-beam master cabin, forward VIP cabin and twin guest cabin all feature en-suite bathrooms, ensuring privacy and comfort.

BROKER COMMENTS:

What makes this V65 particularly appealing is the balance between proven design and recent investment. Extensively updated and ready for immediate use, she represents a straightforward opportunity to enjoy a classic Princess platform with much of the hard work already done.
