YACHT DESCRIPTION:

Architect:	Zucon International Project	Material:	GRP
Internal Furniture:	Walnut Wood	External Hull Colour:	White

ASTRID is a 2019 Ferretti Yachts 780, a model recognised for its balance of performance, design and usability. Powered by twin MAN V12 engines, she delivers confident cruising with efficient range and strong top-end performance. Her specification includes both fin and gyro stabilisation, enhancing comfort in all conditions. Exterior spaces are well proportioned, with a hard top flybridge and multiple areas for relaxation and entertaining. Internally, parquet flooring and large windows create a calm, contemporary environment. Maintained to a good standard and thoughtfully equipped, ASTRID presents a clear, well-resolved example of this proven Ferretti platform.

LAYOUT:

The layout is structured with clarity and practicality in mind, supporting both private use and extended cruising. Accommodation is arranged for seven guests across four cabins, including a full-beam master suite on the lower deck, a VIP cabin forward and two additional guest cabins. Circulation between spaces is straightforward, with a main deck saloon that connects naturally to the cockpit, and a flybridge configured for social use with bar and seating areas. Crew accommodation is separated to ensure operational efficiency without impacting guest privacy, resulting in a layout that is both functional and well balanced.

BROKER COMMENTS:

ASTRID represents a compelling opportunity within the Ferretti 780 market, offering a well-maintained, highly specified platform with proven performance, making her an attractive and immediately available option for discerning buyers.
