YACHT DESCRIPTION:

Architect:	Officina Italiana Design	Material:	GRP
Internal Furniture:	High-gloss cherry wood	External Hull Colour:	Metallic Silver

M/Y NESMARI is a Riva 63' Vertigo that captures the essence of the model—sleek, fast and unmistakably elegant. Finished in a custom metallic silver hull, she presents a more contemporary look while retaining the timeless Riva character. Powered by twin MAN engines, she delivers strong performance with a comfortable cruising profile. Maintained with care by a full-time crew, she benefits from updated navigation electronics in 2022 and a specification that supports easy, enjoyable use. The hard top with extended aft section enhances onboard living, making her a versatile and well-rounded yacht for Mediterranean cruising.

LAYOUT:

The layout is practical and well balanced, offering comfortable accommodation for six guests across three cabins. The full-beam master sits amidships, with a forward VIP cabin and a twin guest cabin, all with en-suite bathrooms. The main deck is centred around a bright saloon connected to the cockpit, creating a natural flow between interior and exterior spaces. The hard top provides shade and protection while maintaining an open feel. Circulation is simple and intuitive, with easy access to the bow sunbathing area and aft deck. A separate crew cabin ensures privacy and smooth day-to-day operation onboard.

BROKER COMMENTS:

M/Y NESMARI is a well-kept Vertigo with a strong spec and modern updates, offering a clean, straightforward opportunity in a segment where condition and usability make all the difference.
