YACHT DESCRIPTION:

Architect:	Officina Italiana Design	Material:	GRP
Internal Furniture:	Light Oak Wood	External Hull Colour:	Metallic Sand Grey

M/Y S KRIS is a beautifully presented 2013 Riva 52 Rivale, a model celebrated for combining timeless Italian styling with exhilarating performance. Powered by twin 900 hp MAN engines, she delivers impressive speed while retaining the refined handling and build quality synonymous with the Riva name. Finished in elegant Metallic Grey Sand, she benefits from numerous upgrades including new Raymarine electronics installed in 2023, an extended hydraulic bathing platform and refreshed exterior features. Her generous cockpit, practical tender garage and beautifully appointed interior create a yacht equally suited to relaxed Mediterranean cruising or entertaining family and friends in complete comfort.

LAYOUT:

The accommodation has been thoughtfully arranged to maximise both comfort and privacy. Below deck, the owner's cabin is complemented by a forward VIP cabin and a twin guest cabin, served by two well-appointed bathrooms. The saloon provides a welcoming lounge with an integrated dining area, seamlessly connected to the practical galley for easy onboard living. Outside, the spacious cockpit centres around a wet bar, creating an inviting environment for entertaining, while generous sunbathing areas forward and aft offer ample space to relax. A dedicated garage accommodates a 3.2-metre Avon Jet tender, keeping deck spaces clean and uncluttered throughout.

BROKER COMMENTS:

Some yachts simply age better than others. S KRIS is one of them—a carefully updated Rivale that captures everything owners love about the model, ready to enjoy from the very first day.
